(such notice an “**Optional Redemption Notice**”) redeem any amount of the Notes at their Early Redemption Amount on the date specified in such notice (the “**Optional Redemption Date**”) provided that the Early Redemption Amount shall be payable on the Optional Redemption Payment Date.

Notice given by the Issuer to redeem Note(s) pursuant to this Special Condition may not be withdrawn (save with the prior written consent of the Trustee) and the Issuer shall be bound to redeem the Note(s) in accordance with the notice, this Special Condition and the Constituting Instrument.

In the case of a partial redemption of Notes, when the Notes are represented by a Global Note, if a partial redemption is to be effected by selection of whole Notes, the Notes to be redeemed will be selected in accordance with the rules of the Clearing System or in accordance with the rules and procedures established from time-to-time by such person or, if a partial redemption of Notes is to be effected by pro rata payment a portion of each Note shall be redeemed in an amount equal to the amount of funds or value of Charged Assets for redemption, as applicable, then available divided by the number of Notes then outstanding which are represented by such Global Note.

5.5.2 Optional Redemption by the Noteholder

Condition 2.5.1 (Optional Redemption by the Noteholder) shall apply to the Notes read with this Special Condition 5.5.2 (Optional Redemption by the Noteholder).

The Issuer shall, subject to compliance with all relevant laws, regulations and directives, at the option of the holder of any Note, redeem such Note on the date or dates specified below at its Early Redemption Amount, together with interest accrued to the date fixed for redemption, subject to deduction of the Noteholder Optional Redemption Deduction Amount (if applicable).

The Early Redemption Amount in the case of any redemption pursuant to Condition 2.5.1 (Optional Redemption by the Noteholder) payable to Noteholders may be reduced by the Noteholder Optional Redemption Deduction Amount, subject to the Portfolio Manager's sole and absolute discretion. An amount equal to the Noteholder Optional Redemption Deduction Amount shall be paid by the Issuer to the Portfolio Manager within five Business Days of the date on which Notes are redeemed pursuant to Condition 2.5.1 (Optional Redemption by the Noteholder).

Any optional redemption shall be subject to sufficient liquidity in the Charged Assets to fund such redemption, as determined by the Calculation Agent.

The maximum amount that may be redeemed, by Noteholders in aggregate, on any Noteholder Redemption Date in respect of an optional redemption by the Noteholders pursuant to Condition 2.5.1 as amended by this Special Condition 5.5.2 shall be an amount equal to 20% of the Net Asset Value of the Portfolio (the "**Monthly Redeemable Amount**"). To the extent the aggregate Optional Redemption Amount would otherwise exceed the Monthly Redeemable Amount, each Noteholder's redemption request shall be reduced by the Calculation Agent, *pro rata*, such that the aggregate Optional Redemption Amount on the relevant Noteholder Optional Redemption Date does not exceed the Monthly Redeemable Amount.

To exercise such option the holder must deposit the relevant Note with any Paying Agent at their respective specified offices, together with a duly completed notice of Redemption ("**Redemption Notice**" which shall specify the Optional Redemption Date) in the form obtainable from any Principal Paying Agent not more than 90 nor less than 60 days prior to the Noteholder Redemption Date and provided that, in the case of any

Note represented by a Global Note registered in the name of a nominee for a Clearing System, the Noteholder must deliver such Redemption Notice together with an authority to the Clearing System (in each case, as appropriate) to debit such Noteholder's account accordingly. No Note (or authority) so deposited may be withdrawn (except as provided in the Constituting Instrument) without the prior written consent of the Issuer.

"Noteholder Optional Redemption Deduction Amount" means an amount equal to 3% of the applicable Early Redemption Amount if the Noteholder Redemption is on or prior to the first anniversary of the Issue Date; an amount equal to 2% of the applicable Early Redemption Amount if the Noteholder Redemption Date is on or prior to the second anniversary of the Issue Date but after the first anniversary of the Issue Date; and an amount equal to 1% of the applicable Early Redemption Amount if the Noteholder Redemption Date is on or prior to the third anniversary of the Issue Date but after the second anniversary of the Issue Date.

"Noteholder Redemption Date" means a date falling on the first Business Day of January and September of each year that the Notes remain outstanding.

5.5.3 Optional Purchase

Condition 2.5.4 (Optional Purchase) shall apply to the Notes read with this Special Condition 5.5.3 (Optional Purchase). The Issuer at any time after receipt of a notice from the Arranger specifying the number of Notes to be purchased and details of the Noteholder(s) from whom the relevant Notes are to be purchased (such notice an **"Optional Purchase Notice"**), subject to compliance with all relevant laws, regulations and directives shall purchase such Notes in accordance with Condition 2.6 (Purchase).

In determining what proportion of Charged Assets corresponds to the proportion of Notes to be purchased, the Issuer shall be entitled to rely on advice given to it by the Calculation Agent. The Issuer has absolute discretion to designate which Series Assets to select in order to fulfil its obligations pursuant to Condition 2.5.4 (Optional Purchase) as hereby amended.

5.6 Mandatory Redemption

- 5.6.1 Condition 2.2. (Mandatory Redemption) shall apply to the Notes read with this Special Condition 5.6 (Mandatory Redemption). Each of the following shall be Additional Mandatory Redemption Events for the purposes of Condition 2.2.2:

- (A) the Issuer (in its sole discretion) determines that an Arranger Default has occurred;
- (B) (i) a compulsory redemption (howsoever described) of the Charged Assets; or (ii) a distribution or return of capital and / or assets to holders of the Charged Assets following the winding up, redemption, buy-back or liquidation of all of the Shares; or
- (C) the Fund or the Portfolio Manager fail to comply in any material respect with the Private Placement Memorandum and / or the Supplements, including but not limited to the failure to provide when due any financial statement, impairment assessment report or independent audit confirmation.

5.7 Reports, calculations, determinations and notifications

- 5.7.1 Following receipt by the Arranger and the Issuer of the NAV Report from the Calculation Agent on the NAV Report Date, the Arranger will publish a summary of the NAV Report on Bloomberg and will disseminate the NAV to SIX Financial Information USA Inc. and to the Vienna Stock Exchange.
- 5.7.2 The NAV Report and the summary thereof will be an estimated valuation of the Series Assets and shall not be interpreted as an indication of expected redemption values of the Notes. The NAV Report and the summary thereof shall take account of any fees, expenses or charges that apply to the Notes, and is subject to amendments and / or corrections at any time without giving notice to any person.
- 5.7.3 Whenever any matter falls to be determined, considered or otherwise decided upon by the Calculation Agent or any other person (including where a matter is to be decided by reference to the Calculation Agent's or such other person's opinion), unless otherwise stated, that matter shall be determined, considered or otherwise decided upon by the Calculation Agent or such other person, as the case may be, in its sole and absolute discretion. The Calculation Agent has agreed in the Constituting Instrument to comply with its obligations set out in these Conditions.
- 5.7.4 Each Transaction Participant (other than the Calculation Agent) shall be entitled to rely on any certification, notification, calculation or determination of the Calculation Agent given or copied to it as being true and accurate for all purposes and none of them shall be obliged to make any investigation or enquiry into any such certification, notification, calculation or determination or into the basis on which such certification, notification, calculation or determination was prepared, given or made.
- 5.7.5 The Calculation Agent shall consider the value of Series Assets which do not have a valuation provided to remain either (i) at cost or (ii) at zero, in its sole discretion and shall not be required to modify the recorded value of such Series Assets until provided with supported valuation by Portfolio Manager and / or any agent of the Fund or the Portfolio Manager. The Calculation Agent is entitled to rely on any certification, notification, calculation, determination or announcement made by or on

behalf of the Portfolio Manager and / or any agent of the Fund or the Portfolio Manager in connection with the Series Assets and shall not be obliged to make any investigation or enquiry into, and shall incur no liability to any person for relying on, any such certification, notification, calculation, determination or announcement reasonably believed by it to be genuine and made by or on behalf of the Portfolio Manager, the Fund and/or any agent of Fund.

5.8 Fees

In addition to the fees due to the Trustee and any Agents, and any other transaction related fees incurred by the Issuer in respect of the issuance of the Notes, as determined by the Calculation Agent, the Issuer has agreed to pay certain fees to the Portfolio Manager and the Arranger. The Portfolio Manager Fee shall be paid by the Cash Reserve Account or the Fund. In the event that such payment is not made from the Cash Reserve Account or the Fund fails to make such payments the fees will be deducted from the Portfolio when determining the Redemption Amount and may also be deducted from any Interest payments made to Noteholders (if any). This may result in a decrease of (i) the Interest Amount and/or (ii) the Net Asset Value of the Portfolio.

The following fees shall be determined by the Calculation Agent as at the NAV Calculation Date and as at the date expected to be two Business Days immediately prior to the following: (i) the Final Maturity Payment Date, (ii) any Optional Redemption Payment Date or Early Redemption Payment Date or (iii) any other date on which Notes are to be redeemed (any such date, a “**Fees Determination Date**”):

- (a) fees payable to the Arranger in the amount of 0.30% per annum of the first USD 50,000,000 of the Net Asset Value of the Portfolio and 0.25% of any sum thereafter, as applicable, as at the most recent NAV Report Date, payable within ten Business Days of the end of each calendar quarter (the “**Arranger Fee**”);

The Arranger Fee is subject to a minimum payment of EUR 2,000 per month.

- (b) the fees payable to the Portfolio Manager pursuant to the Portfolio Management Agreement as follows:
 - (i) in an amount equal to 1.25% per annum of the Net Asset Value of the Portfolio as at the most recent NAV Report Date, payable within ten Business Days of the end of each calendar quarter (the “**Portfolio Management Fee**”), provided that the Management Fee shall be an amount equal to 1.00% per annum for the first two months from the Issue Date.

The Portfolio Manager is authorised to utilise the Management Fee in discharge of payments to third parties for services provided by such third parties to the Portfolio Manager from time to time with respect to matters identified in a fee schedule provided by the Portfolio Manager to the Calculation Agent.

The Portfolio Manager has advanced the payment of the Set-up Fee (as defined below) and will receive a monthly payment, together with the Management Fee, equal to the value of the Set-up Fee amortized for twelve (12) months. This will be deducted from the amount standing to the credit of the Cash Reserve Account.

The Issuer will incur fees in relation to the issuance of the Notes, which shall be paid from the Cash Reserve Account or met by the Portfolio Manager or the Fund. In the event that the Portfolio Manager or the Fund fails to make such payments or the payments are not paid from the Cash Reserve Account the fees will be deducted from the Portfolio when determining the Redemption Amount. Such fees will include, but shall not be limited to:

(A) any fees, costs and expenses payable by the Issuer which are directly attributable to the Notes, including:

(aa) costs incurred in connection with the issuance, listing, clearing of the Notes and / or the performance of obligations in relation thereto;

(bb) any commissions, fees, costs and expenses payable by the Issuer pursuant to the Constituting Instrument and the Series Documents as defined therein;

(cc) any fees, costs and expenses of the administrator of the Issuer payable by the Issuer or the Arranger in respect of the Notes; and

(dd) any legal fees and disbursements payable by the Issuer, the Arranger or the Trustee to Mason Hayes and Curran, A&L Goodbody or any other legal advisers to the Issuer, the Arranger or the Trustee in respect of the issuance of the Notes; and

(B) a total of EUR 1,000 per annum shall be retained by the Issuer (the “**Annual Retained Amount**”) in respect of all Series in issuance. A portion of the Annual Retained Amount will be attributed to this Series of Notes in an amount to be determined by the Calculation Agent acting in its sole and absolute discretion; and

(C) in relation to any realisation of the Charged Assets, all commissions, fees, charges and expenses (including, without limitation, any stamp duty, documentary or transfer or other taxes or duties payable in respect of the sale or other realisation of any such Charged Assets) incurred or payable by the Sale Agent in respect of such sale or other realisation, as certified by the Sale Agent to the Issuer and the Trustee.

Any amounts payable under the Notes are based on the performance of the Charged Assets net of the fees described above. The fees will be applied in calculating the value of the Portfolio and therefore will result in a reduction in value of the Notes.

Estimated fees include a set-up fee of EUR 12,000 (the “**Set-up Fee**”) paid one time for legal work and Trustee review.

(c) Fees payable in respect of the underlying investment

Investors in the Notes should take note of the fees payable to the investment managers (or their designee) and any other fees payable in respect of the underlying investment. Details of the fees payable to the investment managers are set out in the Private Placement Memorandum and / or the Supplements (a copy (or copies) of which is appended to the Series Memorandum hereto).

On the Interest Determination Date, the Calculation Agent shall calculate the amount of Interest owing on the Notes and shall inform the Trustee, Principal Paying Agent and Issuer of the amount payable and interest shall be paid in accordance with the Conditions and the Agency Agreement.

5.9 Further Issues

Pursuant to Master Condition 15 (Further Issues) as amended and supplemented by this Special Condition 5.9 (Further Issues), the Issuer shall be at liberty to issue Further Notes with the express intention that such Further Notes be consolidated and form a single series with the Notes (and with any subsequent Further Notes so issued) provided that the net proceeds of issue of such Further Notes shall be invested in the Shares as the Portfolio Manager may in its sole discretion determine, and such proceeds shall form part of the Portfolio the subject of management by the Portfolio Manager on or about the same date as the date on which the Further Notes are issued.

5.10 Extended Maturity Date

The term of the Notes may be extended for further periods of up to ten (10) years, provided that, at the request of the Issuer, the Calculation Agent, on behalf of the Issuer, has given a notice (the “**Extension Notice**”) to the Trustee, the Principal Paying Agent and the Noteholders one (1) calendar month prior to the Maturity Date or any Extended Maturity Date, if applicable, stating that such extension shall take place in respect of the Notes. If no Extension Notice, or no further Extension Notices (if applicable) are delivered by the Calculation Agent, the Notes shall be redeemed on the Maturity Date or on the date stated in the final Extension Notice (such date being the “**Extended Maturity Date**”).

5.11 Events of Default

An Event of Default under Condition 4.1.1 shall occur if (i) the Early Redemption Payment Date does not occur within 90 days of the relevant Early Redemption Date or (ii) the Final Maturity Payment Date does not occur within 90 days of the Maturity Date or Extended Maturity Date, as applicable.

5.12 Noteholder Direction

The Arranger may, in its absolute discretion, request direction to the Issuer and Trustee from the Noteholders by way of Noteholder Direction.
