Any amounts payable under the Notes are based on the performance of the Charged Assets net of the fees described above. The fees will be applied in calculating the value of the Portfolio and therefore will result in a reduction in value of the Notes.

Estimated fees include a set-up fee of EUR 12,000 (the “**Set-up Fee**”) paid one time for legal work and Trustee review.

On the Interest Determination Date, the Calculation Agent shall calculate the amount of Interest owing on the Notes and shall inform the Trustee, Principal Paying Agent and Issuer of the amount payable and interest shall be paid in accordance with the Conditions and the Agency Agreement.
