## 1 GENERAL

This Series Memorandum (as used herein, this “**Series Memorandum**”) is prepared in connection with the EUR 5,000,000,000 Secured Note Programme (the “**HFMX Programme**”) of HFMX Designated Activity Company (the “**Issuer**”) and is issued in conjunction with, and incorporates by reference the contents of, the Programme Memorandum dated 15 August 2018 relating to the HFMX Programme (the “**Programme Memorandum**”).

Neither this Series Memorandum nor the Programme Memorandum constitutes a prospectus for the purposes of the Prospectus Directive.

This document should be read in conjunction with the Programme Memorandum and the Master Conditions (2018 Edition). Save where the context otherwise requires, terms defined in the Programme Memorandum have the same meaning when used in this Series Memorandum.

Subject as set out below the Issuer accepts responsibility for the information contained in this Series Memorandum other than the information in sections:

1. Information relating to the Arranger, Charged Assets Realisation Agent and Calculation Agent;
2. Information relating to the Placing Agent;
3. Information relating to the Charged Assets; and
4. The Private Placement Memorandum.

To the best of the knowledge and belief of the Issuer (which has taken all reasonable care to ensure that such is the case), such information for which it accepts responsibility contained in this Series Memorandum is in accordance with the facts and does not omit anything likely to affect the import of such information. The Issuer confirms that the information in the sections referred to in 1 to 4 above has been accurately reproduced from information provided by (a) the Arranger, Charged Assets Realisation Agent and Calculation Agent (in respect of 1.), (b) the Placing Agent (in respect of 2.) and (c) the Fund (in respect of 3. and 4.), and as far as the Issuer is able to ascertain, no facts have been omitted which would render the reproduced information inaccurate or misleading.

This Series Memorandum does not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation, and no action is being taken to permit an offering of the Notes or the distribution of this Series Memorandum in any jurisdiction where such action is required.

No person has been authorised to give any information or to make representations other than those contained in this Series Memorandum in connection with the issue or sale of the Notes and, if given or made, such information or representations must not be relied upon as having been authorised by the Issuer, the Arranger, the Trustee or any of them or any other person. Neither the delivery of this Series Memorandum nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof.

The Trustee has not independently verified the information contained herein. Accordingly, no representation, warranty or undertaking is made, whether express or implied, and no

responsibility or liability is accepted by the Trustee as to the accuracy, completeness or nature of the information contained in this Series Memorandum, the Private Placement Memorandum or with respect to the legality of investment in the Notes by any prospective investor or purchaser under applicable legal investment or similar laws or regulations.

Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of the provisions set out within this Series Memorandum and the Programme Memorandum.

For as long as the Notes remain outstanding, copies of the following documents will be available to Noteholders for inspection in physical form during usual business hours on any weekday (Saturdays, Sundays and public holidays excepted) at the registered office of the Issuer:

1. This Series Memorandum and the Programme Memorandum;
2. The Master Documents;
3. The Constituting Instrument dated the Issue Date; and
4. The Certificate of Incorporation and the Constitution of the Issuer.

**The Notes, which are described in this Series Memorandum, have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the “Securities Act”) or the securities laws of any of the States of the United States. Accordingly, the Notes are being offered and sold only in bearer form pursuant to the exemption afforded by Regulation S promulgated under the Securities Act solely outside of the United States and solely to non-US persons and in specific reliance upon the representations by each Noteholder that (1) at the time of the offer and sale of the Notes to the Noteholder, the Noteholder was not a US Person as defined in Regulation S promulgated under the Securities Act, and (2) at the time of the offer and sale of the Notes to the Noteholder and, as of the date of the execution and delivery of the purchasing or subscription agreement by the Noteholder, the Noteholder was outside of the United States. The Notes may not be offered or sold in the United States or to US Persons (as defined in Regulation S) unless the securities are registered under the Securities Act, or an exemption from the registration requirements of the Securities Act is available. The Notes are subject to certain United States tax law requirements.**

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), an offer of Notes to the public has not and may not be made in that Relevant Member State.

The Notes are illiquid investments, the purchase of which involves substantial risks. Any investor investing in the Notes should fully consider, understand and appreciate those risks.

**Purchasers of Notes should conduct such independent investigation and analysis regarding the Issuer, the Charged Assets, the Private Placement Memorandum and the Notes as they deem appropriate to evaluate the merits and risks of an investment in the Notes, as the Notes described in this Series Memorandum may not be suitable for all purchasers of Notes. Purchasers of Notes should have sufficient knowledge and experience in financial, taxation, accounting, capital treatment and business matters, and access to, and knowledge of, appropriate analytical resources, to evaluate the information contained in this Series Memorandum and the merits and risks of investing in the Notes in the context of their financial and regulatory position**

and circumstances. This Series Memorandum does not describe all of the risks and investment considerations applicable to an investment in the Notes. The risks and investment considerations identified in this Series Memorandum are provided as general information only and the Issuer disclaims any responsibility to advise purchasers of Notes of the risks and investment considerations associated with the purchase of the Notes as they may exist at the date hereof or as they may from time to time alter.

**PARTICULAR ATTENTION IS DRAWN TO THE SECTION OF THIS SERIES MEMORANDUM HEADED “RISK FACTORS”.**

## **2 DOCUMENTS INCORPORATED BY REFERENCE**

The Programme Memorandum is incorporated in, and shall be taken to form part of this Series Memorandum. This Series Memorandum must be read and construed in conjunction with the Programme Memorandum and shall be deemed to modify and supersede the contents of such document to the extent that a statement contained herein is inconsistent with such contents.

## **3 RISK FACTORS**

### **3.1 General**

The purchase of the Notes involves substantial risks. Each prospective purchaser of the Notes should be familiar with instruments having characteristics similar to the Notes and should fully understand the terms of the Notes and the nature and extent of its exposure to risk of loss.

Before making an investment decision prospective purchasers of the Notes should conduct such independent investigation and analysis regarding the Issuer, the Charged Assets, the Private Placement Memorandum, the Notes and all other relevant persons and such market and economic factors as they deem appropriate to evaluate the merits and risks of an investment in the Notes. As part of such independent investigation and analysis, prospective purchasers of Notes should consider carefully all the information set forth in this Series Memorandum and in the Programme Memorandum and the considerations set out below.

Investment in the Notes is only suitable for investors who have the knowledge and experience in financial and business matters necessary to enable them to evaluate the information contained in this Series Memorandum and in the Programme Memorandum and the merits and risks of an investment in the Notes in the context of the investor’s own financial circumstances and investment objectives.

Investment in the Notes (or a participation therein) is only suitable for investors who:

1. are capable of bearing the economic risk of an investment in the Notes (or a participation therein) for a period up to and until the redemption of the Notes;
2. are acquiring an interest in the Notes (or a participation therein) for their own account for investment, not with a view to resale, distribution or other disposition of such interest (subject to any applicable law requiring that the disposition of the investor’s property be within its control); and
3. recognise that it may not be possible to make any transfer of the Notes (or a participation therein) for a substantial period of time, if at all.

Each of the Issuer and the Arranger may, in its discretion, disregard interest shown by a prospective investor even though that investor satisfies the foregoing suitability standards.

**Each prospective investor should ensure that it fully understands the nature of the transaction into which it is entering and the nature and extent of its exposure to the risk of loss of all or a substantial part of its investment. Attention is drawn, in particular, to the Conditions in the Master Conditions (2018 Edition) entitled 'Security' and 'Enforcement and Limited Recourse' and the sections in this Series Memorandum entitled 'Information relating to the Charged Assets'.**

### 3.2 Risks relating to the Issuer and Transaction Parties

#### Special purpose company

The Issuer is a special purpose company and has been established for the purpose of issuing multiple Series of secured Notes under the HFMX Programme. The Issuer has issued share capital only in the amount of EUR 1 (one euro). Should any unforeseen expenses or liabilities (which have not been provided for) arise, the Issuer may be unable to meet them, leading to an Event of Default under the Notes.

There is no certainty that Noteholders will recover any amounts payable under the Notes. Due to the limited recourse nature of the Notes (see 'Limited recourse' below), claims in respect of the Notes are limited to the proceeds of enforcement of the Mortgaged Property after the deduction of any applicable expenses. In addition, if a claim is brought against the Issuer (whether under statute, common law or otherwise) which is not subject to such contractual limited recourse provisions, the only assets available to meet such claim would be the proceeds of the issuance of the Issuer's ordinary shares and any transaction fees (see 'Fees' below), to the extent any remain as at the date of such claim and are available to meet such claim. The only other assets of the Issuer will be the assets on which each Series is secured, which will be subject to the prior security interests of the relevant Noteholders, any other secured parties under that Series.

#### Limited recourse

The Notes will be limited recourse obligations of the Issuer secured on the Charged Assets and are not or will not (as the case may be) be obligations or responsibilities of, or guaranteed by, any other person or entity. **For the avoidance of doubt, none of the Trustee, the Arranger, any other Agent appointed by the Issuer or any other person has any obligation to any Noteholder for payment of any amount by the Issuer in respect of the Notes. There is no person that guarantees to Noteholders that they will recover any amounts payable under the Notes.**

The ability of the Issuer to meet its obligations in respect of the Notes will be dependent on the receipt by the Issuer of moneys due to it under the Charged Assets. The Noteholders shall have no recourse to the Issuer beyond the moneys derived by or on behalf of the Issuer in respect of the Charged Assets. To the extent that investment by the Issuer in the Charged Assets held by the Issuer results in such investment being less than the obligations of the Issuer under the Notes, the Issuer will have insufficient funds available to meet its obligations in respect of the Notes. In such event, any shortfall would be borne by the Noteholders in accordance with the priorities specified in the Conditions. See 'Nature of the investment' below.

For the avoidance of doubt, Notes are not, and do not represent or convey any interest in the Charged Assets nor do they confer on the Noteholder any right (whether in respect of voting,

dividend or other distribution) which a holder of any Charged Assets may have had. The Issuer is not an agent of the Noteholder for any purpose.

#### Liability for the obligations of other Series

The Issuer has undertaken not to incur any obligations with respect to any other Series of Notes unless recourse in respect of such obligations is limited to the proceeds of enforcement of the Security over the assets of the Issuer on which such obligations are secured (which assets shall exclude the Mortgaged Property securing any other Series of Notes). Nevertheless, to the extent there are any creditors with respect to a Series of Notes whose recourse is not so limited Noteholders may be exposed to risks incurred for the account of other Series.

### **3.3 Risks relating to the Notes**

#### Nature of the investment

These Notes are not principal protected and are a high-risk investment in the form of a debt instrument. The Noteholders are neither assured of repayment of the capital invested nor are they assured of payment of a stated rate of interest or of any interest at all. The Notes give Noteholders exposure to the Series Assets, see “*Information relating to the Charged Assets*” below.

Any payments to be made on the Notes depend on the value of the Charged Assets held by the Issuer, which is the value of the amounts received by the Issuer in respect of the Charged Assets. Should the Charged Assets decrease in value, Noteholders will incur a partial or total loss of their investment. Even if the Charged Assets increase in value, Noteholders may incur a partial or total loss of their investment to the extent that the appreciation of the Charged Assets is not sufficient to account for fees, costs and expenses of the Issuer.

In certain circumstances, described in the Conditions of the Notes, the Notes will be redeemed early pursuant to a Mandatory Redemption Event, or an Additional Mandatory Redemption Event or Optional Redemption and Noteholders shall be entitled to receive only such amount as is available following the sale, redemption or other means of realisation of the Charged Assets, subject to the provisions of the Notes described under ‘Limited recourse’ above.

In general, redemption payments to be made on the Notes are calculated with reference to the value of the Charged Assets. However, if and to the extent that the amount payable by the Issuer in accordance with the Notes to the Noteholders is greater than the amount received by the Issuer in respect of the redemption of the Charged Assets, the Noteholder shall be entitled to receive only its pro rata share of such amount as is received by the Issuer under the Charged Assets after deduction of any applicable costs and expenses.

#### Change of law, tax and administrative practice

The structure of the transaction and, *inter alia*, the issue of the Notes are based on law, tax and administrative practice in effect at the date hereof, and having due regard to the expected tax treatment of all relevant entities under such law and practice. No assurance can be given that law, tax or administrative practice will not change after the Issue Date or that such change will not adversely impact the structure of the transaction and the treatment of the Notes.

#### Fees

In addition to the fees due to the Trustee and any Agents, and any other transaction related fees incurred by the Issuer in respect of the issuance of the Notes, the amounts payable under the Notes are based on the performance of the Charged Assets after deduction of certain fees, which is further described in Special Condition 5.8 of the Notes. The fees may be applied in calculating the value of the Portfolio and therefore may result in a reduction in the value of the Notes.

In connection with the offer and sale of the Notes, the Arranger or any of its associated companies may, directly or indirectly, pay fees in varying amounts to third parties or, as the case may be, receive fees (including but not limited to distribution fees and retrocessions) in varying amounts, including, from third parties (which may include any Transaction Participants as defined below). Each Noteholder acknowledges that the Arranger or any of its associated companies may retain all or part of such fees.

#### Foreign exchange risk

The Notes are denominated in USD. The Charged Assets may be denominated in US dollars, euros, or any other currencies. The Issuer will effect foreign exchange transactions to convert amounts received in respect of the Charged Assets into USD in order to meet its payment obligations under the Notes. In order to mitigate the foreign exchange risk the Issuer may enter into foreign exchange hedging transactions with such banks and other providers of treasury products ("**Derivatives Counterparties**") as may in the sole discretion of the Issuer be appropriate given the Charged Assets and the obligations of the Issuer under the Notes. Accordingly, the Issuer and the Noteholders may be exposed to credit risk of such Derivatives Counterparties providing foreign exchange hedging to the Issuer.

#### Optional Redemption by the Issuer

Investors in the Notes should be aware that the Issuer has the option to, and shall if given notice by the Arranger, redeem any amount of the Notes at their Early Redemption Amount on the Optional Redemption Payment Date, subject to the notice requirements set out in the Conditions. Such notice may only be revoked by the Issuer at any time prior to the Optional Redemption Date with the consent of the Trustee in accordance with the Conditions.

#### Restrictions on Transfer

The Notes are subject to restrictions on transfer, as described in the 'Subscription and Sale' section of the Programme Memorandum and 'Selling Restrictions' section of this Series Memorandum. In particular, the Notes have not been registered under the Securities Act, under any US state securities or 'Blue Sky' laws or under the securities laws of any other jurisdiction and are being issued and sold in reliance upon exemptions from registration provided by such laws. No Note may be sold, assigned, participated, pledged or transferred unless such sale, assignment, participation, pledge or transfer (a) is exempt from the registration requirements of the Securities Act (for example, the exemption provided by Rule 144A under the Securities Act or the exemption provided by Regulation S under the Securities Act and applicable state securities laws) and (b) is in compliance with the transfer restrictions and certification requirements described in the "Subscription and Sale" section of the Programme Memorandum and the "Selling Restrictions" section of this Series Memorandum.

#### Arranger default

The Notes will be redeemed if the Arranger is dissolved or becomes unable to perform its obligations in relation to the Notes unless a substitute arranger (the "**Substitute Arranger**") is appointed by the Issuer within 90 days of such event.

## Payments

Payments under the Notes will only be made after receipt of the Realisable Value by the Issuer. The date of payment of the redemption amount under the Notes is therefore not fixed. Payment of redemption amounts under the Notes depends on the realisation of or the liquidation of the Charged Assets. It may take a considerable period of time to redeem the Charged Assets, in particular in the case of a redemption pursuant to an Early Redemption. Noteholders may only receive payment of the relevant redemption amount under the Notes significantly later than the specified redemption date of the Notes.

## Liquidity

No secondary market for the Notes currently exists. Prospective purchasers of the Notes should therefore recognise that they may not be able to liquidate their investment in the Notes. Investment in the Notes is therefore only suitable for investors who are capable of bearing the economic risk of an investment in the Notes for an indefinite period of time and are not acquiring the Notes with a view to a potential resale, distribution or other disposition at some future date.

Application has been made to list the Notes on the Third Market of the Vienna Stock Exchange. Application may also be made to list on other stock exchanges and/or multilateral trading facilities, including Euronext Paris. Listing is expected to take place on or about the Issue Date but no assurance can be given that such application will be granted. Even if the Notes are listed, there is no assurance that a secondary trading market or liquidity will develop.

## Extended Maturity Date

The term of the Notes may be extended for further periods of up to ten (10) years, provided that, at the request of the Issuer, the Calculation Agent, on behalf of the Issuer, has given a notice (the “**Extension Notice**”) to the Trustee, the Principal Paying Agent and the Noteholders not less than one (1) calendar month prior to the Maturity Date or the Extended Maturity Date if applicable, stating that such extension shall take place in respect of the Notes. If no Extension Notice, or no further Extension Notices (if applicable) are delivered by the Calculation Agent, the Notes shall be redeemed on the Maturity Date or on the date stated in the final Extension Notice (such date being the “**Extended Maturity Date**”).

## Market and legal risk

The Notes will constitute secured, limited recourse obligations of the Issuer, recourse in respect of which will, in effect, be limited to the proceeds of the Mortgaged Property (which principally comprises the Charged Assets) relating to the Notes and no other assets of the Issuer will be available to satisfy claims of Noteholders. The Issuer’s obligations to the Noteholders are solely funded by, and primarily secured on, the Charged Assets. Therefore, to the extent that the value of the Charged Assets falls, payment under the Charged Assets is not made, the Charged Assets cannot be sold or if the relevant security arrangements would not be enforceable, a loss of principal or interest or both under the Notes will result. Noteholders therefore assume the market and legal risk of the Charged Assets.

None of the Transaction Participants (as defined below) nor any affiliate of any of them or other person on their behalf has made any investigation of, or makes any representation or warranty, express or implied, as to the standing or suitability of the financial or other condition of the Charged Assets.

None of the Issuer, the Arranger, the Trustee, the Principal Paying Agent, the Administration Agent, the Charged Assets Realisation Agent, the Calculation Agent, the Placing Agent or any other Agent (together, the **"Transaction Participants"**) nor any affiliate of any of them (or any person on their behalf) assume any responsibility vis-à-vis the Noteholders for the economic success or lack of success of an investment in the Notes, or the performance, the value or terms of the Charged Assets. No Transaction Participant will have any responsibility or duty to make any such investigations, to keep any such matters under review, to provide the Noteholders, or prospective purchasers of the Notes, with any information in relation to such matters or to advise as to the attendant risks.

#### Independent review and advice

Each prospective purchaser of Notes must determine, based on its own independent review and such legal, financial and tax advice as it deems appropriate under the circumstances, that its acquisition of the Notes (i) is fully consistent with its financial needs, objectives and condition, (ii) complies and is fully consistent with all investment policies, guidelines, authorisations and restrictions (including as to its capacity) applicable to it, (iii) has been duly approved in accordance with all applicable laws and procedures and (iv) is a fit, proper and suitable investment for it, undertaken for a proper purpose.

#### Legality of purchase

None of the Transaction Participants or any affiliate of any of them or other person on their behalf has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective purchaser of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective purchaser with any law, regulation or regulatory policy applicable to it.

#### No reliance

The Transaction Participants and all affiliates of any of them disclaim any responsibility to advise purchasers of the Notes of the risks and investment considerations associated with the purchase of the Notes as they may exist at the date hereof or from time to time hereafter.

#### No restrictions on activities

Any of the Transaction Participants and any affiliate of any of them or other person on their behalf may have existing or future business relationships (including depository, lending, advisory or any other kind of commercial or investment banking activities or other business) with any of the other Transaction Participants and any affiliate of any of them or other person on their behalf and may purchase, sell or otherwise deal in any assets or obligations of, or relating to, any such party. Any of the Transaction Participants and any affiliate of any of them or other person on their behalf may act with respect to any such business, assets or obligations without regard to any possible consequences for the Issuer, the Notes or any Noteholder (or the impact of any such dealing on the interests of any Noteholder) or otherwise.

#### Provision of information

Any of the Transaction Participants or any affiliate of any of them or any other person acting on their behalf may at the date hereof or at any time hereafter be in possession of information in relation to the other Transaction Participants or any affiliate of any of them or any other person acting on their behalf or on behalf of the Charged Assets (which may or may not be publicly available or confidential). None of such persons shall be under any

obligation to make any such information available to Noteholders or any other party other than as provided in the Conditions of the Notes.

#### Taxation

Each Noteholder will assume and be solely responsible for any and all taxes of any jurisdiction or governmental or regulatory authority, including, without limitation, any state or local taxes or other like assessment or charges that may be applicable to any payment to it in respect of the Notes. Neither the Issuer nor any other person will pay any additional amounts to the Noteholders to reimburse them for any tax, assessment or charge required to be withheld or deducted from payments in respect of the Notes by the Issuer or by the Principal Paying Agent (or any other Paying Agent).

#### Legal opinions

No legal opinions will be obtained with respect to any applicable laws, including the laws governing the Charged Assets or as to the validity, enforceability or binding nature of the Charged Assets.

#### Conflict of interests

Any of the Transaction Participants or any affiliate of any of them or any other person acting on their behalf may from time to time, as principal or agent, have positions in, or may buy or sell, or make a market in any securities (including shares in a Transaction Participant), currencies, financial instruments or other assets owned by a Transaction Participant. Any trading and / or hedging activities of Transaction Participants or any affiliate of any of them or any other person acting on their behalf related to this transaction may have an impact on the price of the underlying assets.

#### Clearing systems

The Notes will be represented by one or more Temporary Global Notes and Permanent Global Notes. Such Global Notes will be deposited with a common depository for Euroclear and Clearstream, Luxembourg. Except in the limited circumstances described in the relevant Global Note, investors will not be entitled to receive definitive Notes. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Notes. While the Notes are represented by one or more Global Notes, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

While the Notes are represented by one or more Global Notes the Issuer will discharge its payment obligations under the Notes by making payments through the Principal Paying Agent to the common depository for Euroclear and Clearstream, Luxembourg for distribution to their account holders. A holder of a beneficial interest in a Global Note must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Notes.

Holders of beneficial interests in the Global Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies.

#### Limitations of the ability to grant security over Notes while in global form

Because transactions in the Notes will be effected only through Euroclear or Clearstream, Luxembourg, direct or indirect participants in their respective book-entry-systems and certain banks, the ability of a Noteholder to pledge such interest to persons or entities that do not participate in the Euroclear or Clearstream systems, or otherwise to take actions in respect of such interests, may be limited due to the lack of physical security representing such interest.

### **3.4 Risks relating to the Charged Assets**

#### **3.4.1 Investment in the Series Assets**

The Issuer intends to use the proceeds of the issuance of the Notes to invest, on or as soon as practicable following the Issue Date, in participating, non-redeemable, non-voting shares (the “**Shares**”) of Black Tulip Empyre Media ETP I Limited (the “**Fund**”), a Cayman Islands exempted company with its registered office located at c/o Walkers Corporate Limited, Cayman Corporate Centre, 27 Hospital Road, George Town, Grand Cayman KY1-9008, Cayman Islands. The primary investment objective of the Fund is to seek significant capital appreciation through investing in interests in a Cayman Islands exempted limited partnership (the “**Offshore Feeder Fund**”) which in turns invests in a Cayman Islands entertainment fund (the “**Master Fund**”) and indirectly into a portfolio of three to six major Hollywood movie pictures, as more particularly set out in the Private Placement Memorandum.

Black Tulip Media LLC, a Florida limited liability company, shall serve as the investment manager of the Fund (the “**Investment Manager**”).

Potential investors should note that investing in the Notes does not provide any assurance as to the nature of the Fund or the Shares. For example, no assurance is provided as to (i) the constitutional documentation of the Fund, (ii) any shareholders agreement or subscription agreement in place as of the Issue Date or thereafter, (iii) any ability of the Fund to issue further shares (in either the same or a different class to that of the Shares; (iv) the transferability of the Shares, (v) any right to refuse registration of the Shares or (vi) any pre-emption rights in respect of the Shares. Such issues may affect the ability of the Trustee to enforce the Security and realise the Series Assets and Related Rights. Potential investors should carry out their own due diligence in this regard.

**Prospective purchasers of the Notes should conduct their own independent investigation and analysis regarding the Issuer, the Fund, the Investment Manager and the Notes as they deem appropriate to evaluate the merits and risks of an investment in the Notes.**

It should be noted that the Noteholders are reliant on the Issuer and the Arranger to take all necessary steps to ensure that the Supplemental Cayman Islands Security is perfected and enforceable. If (i) one or more steps necessary to effect perfection of the Supplemental Cayman Islands Security are not taken, (ii) there are any issues with Issuer’s title to the assets the subject of the Supplemental Cayman Islands Security, or (iii) there is any restriction on the ability to charge the assets the subject of the Supplemental Cayman Islands Security, then the Supplemental Cayman Islands Security may not be enforceable in whole or in part. Noteholders should be aware that the Trustee has not investigated any of the above matters and is solely reliant on the Issuer, the Arranger and the Fund to take all necessary steps to ensure that the Supplemental Cayman Islands Security is valid and enforceable in the manner envisaged over the relevant assets.

### 3.4.2 No Operating History of the Fund

The Fund has limited performance history. Noteholders may not have sufficient historical information to serve as a basis for making a more informed investment decision.

### 3.4.3 Redemption and Transfer of the Charged Assets

Realisation or transfer of the Charged Assets may in certain circumstances be deferred in accordance with their relevant terms. The period of deferral may be significant. Therefore in certain circumstances, including where the Security for the Notes becomes enforceable, there may be a significant delay in payments under the Notes and/or it may be impossible to transfer the Charged Assets, whether as a means of realising their value or otherwise.

Potential investors should note that the Fund's board of directors' consent may be required to register a transfer of the Shares. Such consent requirements may affect the ability of the Trustee to enforce the Security and realise the Series Assets and Related Rights. Potential investors should carry out their own due diligence in this regard.

#### 3.4.4 Security may be declared invalid

The Issuer will grant security interests in favour of the Trustee for itself and for the benefit of the Noteholders in the Mortgaged Property pursuant to the Trust Deed and the Charging Instrument (as defined below). However, if the security interest of the Trustee in the Mortgaged Property was determined to be invalid or unperfected, Noteholders would be unsecured creditors and would rank on a pari passu basis with other unsecured creditors (if any) of the Issuer. Each of the foregoing factors may delay or reduce investors' return on their Notes and investors may suffer a loss (including a total loss) on their investment.

#### 3.4.5 Not a bank deposit

Any investment in the Notes does not have the status of a bank deposit in Ireland and is not within the scope of the deposit protection scheme operated by the Central Bank of Ireland. The Issuer is not regulated by the Central Bank of Ireland by virtue of the issue of the Notes.

#### 3.4.6 Lack of diversification

The Issuer may only invest in one asset, being the Shares. To the extent all the assets relating to the Notes are represented by one type or class of asset, such asset or class of asset may be more susceptible to a single adverse economic or regulatory occurrence, and lead to greater fluctuations in the value of Notes than may have been the case when investing in a diversified pool of assets.

#### 3.4.7 Partial Interest in the Fund

Please note that the Series Assets do not comprise 100% of the issued share capital of the Fund nor is the Fund prohibited from issuing further shares.

#### 3.4.8 Security for the Notes

The Issuer has granted security over the Account Bank Agreement, Unwind Account Custody Agreement and any accounts held pursuant thereto in favour of the Trustee, as security for itself and the Secured Parties, pursuant to the Programme Accounts Security Agreement in respect of the Issuer's obligations to the Trustee in respect of all Series under the HFMX Programme. Pursuant to a deed of confirmation, the Issuer will confirm to the Trustee that the Programme Accounts Security Agreement charges the Account Bank Agreement, Unwind Account Custody Agreement and any accounts held pursuant thereto in favour of the Trustee in respect of the Issuer's obligations under Series 265 Black Tulip Empyre.

Monies may be held by The Bank of New York Mellon, London Branch, pursuant to the Account Bank Agreement or Unwind Account Custody Agreement to facilitate the transfer of the proceeds of the issuance of Notes to the Fund for the purchase of Shares and / or payment of any Interest Amount or Redemption Amount to Noteholders. It is intended that such transfers will happen promptly however this may not always be possible and there may be a delay in respect of such transfers. Such monies may be temporarily commingled with monies attributable to other Series. While the Issuer has granted security over such monies pursuant to both the Constituting Instrument and the Programme Accounts Security Agreement in favour of the Trustee (for itself and the other Secured

Parties), Noteholders should note that the commingling of such monies may have a negative effect on the Trustee's ability to enforce security over such monies.

Certain of the charges, including the security granted by the Supplemental Cayman Islands Security, in respect of the Notes are stated to be fixed charges in nature. The essence of a fixed charge is that the person creating the charge does not have liberty to deal with the assets which are the subject matter of the security in the sense of disposing of such assets or expending or appropriating the moneys or claims constituting such assets and accordingly, if and to the extent that such liberty is given to the Issuer or any other party any such charge may operate as a floating, rather than a fixed, charge.

#### 3.4.9 Risks Related to the Fund and its operations

The performance and realisation of the Series Assets, and thereby, of the Notes, is dependent on the overall performance, operations and financial condition of the Fund.

**NEITHER THE ISSUER, THE TRUSTEE NOR ANY OF THE AGENTS HAVE REVIEWED THE OVERALL PERFORMANCE, OPERATIONS AND FINANCIAL CONDITION OF THE FUND OR ANY OTHER CONDITIONS OF THE FUND AT THE TIME OF THE ISSUE DATE AND DO NOT GUARANTEE OR MAKE ANY RECOMMENDATIONS OR WARRANTIES, IN ANY FORM, AS TO THE SUITABILITY OF ANY INVESTMENT, INCLUDING THROUGH PURCHASE OF THE NOTES, THE PERFORMANCE OF WHICH IS DEPENDENT ON THE FUND OR ANY OF THEIR OPERATIONS.**

Any adverse effect on the Fund may, through the performance of the Shares, affect the performance of the Notes and the Issuer's ability to meet its obligations in respect of the Notes. Therefore, any adverse effect on the Fund's financial results, performance, and / or growth prospects may subsequently, through the Shares, adversely affect the performance of the Notes and the ability by the Issuer to meet its obligations in respect of the Notes, which will be dependent on the receipt by the Issuer of moneys due to it under the Mortgaged Property (Including the Series Assets).

### 3.5 Summary of Principal Underlying Investment Risks

As with any investment, you could lose all or part of your investment in the Notes, and the Notes' performance could trail that of other investments. The Notes are subject to one or more of the principal risks noted below (either directly or through its investments in Series Assets), any of which may adversely affect the Notes' Net Asset Value, trading price, yield, total return and ability to meet its investment objective.

#### 3.5.1 Counterparty Risk

The Issuer bears the risk that the Fund may default on its obligations (if any) or otherwise fail to honour its obligations to holders of Shares or under the Private Placement Memorandum. In such case the Issuer will lose money and the value of an investment in the Notes may decrease.

#### 3.5.2 Credit Risk

The financial condition of an issuer of securities may cause it to default or become unable to pay interest or principal due or otherwise fail to perform. The Issuer cannot collect interest

and principal payments on securities if the issuer defaults. While the Issuer attempts to limit credit exposure in a manner consistent with its investment objective, the value of an investment in the Notes may change quickly and without warning in response to issuer defaults and changes in the credit ratings of the Issuer's portfolio investments.

### 3.5.3 Investment Risk

As with all investments, an investment in the Notes is subject to investment risk. Noteholders could lose money, including the possible loss of the entire principal amount of an investment, over short or long periods of time.

### 3.5.4 Liquidity Risk

The Shares are an illiquid investment. In the event that the Issuer defaults or the Notes are subject to redemption there is no assurance that the Shares can be sold such that value can be realised for investors.

### 3.5.5 871(m)

The Notes will not be treated as subject to 871(m) of the US Internal Revenue Code of 1986 as amended.

### 3.5.6 Market Trading Risk

The Issuer faces numerous market trading risks, including the potential lack of an active market for the Notes, losses from trading in secondary markets and periods of high volatility. ANY OF THESE FACTORS, AMONG OTHERS, MAY LEAD TO THE NOTES TRADING AT A PREMIUM OR DISCOUNT TO NET ASSET VALUE.

**AS WITH ANY INVESTMENT YOU COULD LOSE ALL OR PART OF YOUR INVESTMENT IN THE NOTES AND THE NOTES' PERFORMANCE COULD TRAIL THAT OF OTHER INVESTMENTS. YOUR ATTENTION IS DRAWN TO THE PRIVATE PLACEMENT MEMORANDUM AS DEFINED BELOW AND ATTACHED AS APPENDIX OR APPENDIXES TO THIS SERIES MEMORANDUM. IN PARTICULAR PROSPECTIVE INVESTORS SHOULD NOTE THE SECTION OF THE PRIVATE PLACEMENT MEMORANDUM ENTITLED "RISK FACTORS". PROSPECTIVE INVESTORS SHOULD NOT INVEST IN THE NOTES WITHOUT TAKING INDEPENDENT ADVICE ON THE RISKS SET OUT THEREIN.**

**THE CONSIDERATIONS SET OUT ABOVE ARE NOT, AND ARE NOT INTENDED TO BE, A COMPREHENSIVE LIST OF ALL CONSIDERATIONS RELEVANT TO A DECISION TO PURCHASE OR HOLD ANY NOTES. THE ATTENTION OF INVESTORS IS ALSO DRAWN TO THE SECTIONS HEADED 'RISK FACTORS' IN THE PROGRAMME MEMORANDUM.**

(cc) any fees, costs and expenses of the administrator of the Issuer payable by the Issuer or the Arranger in respect of the Notes; and

(dd) any legal fees and disbursements payable by the Issuer, the Arranger or the Trustee to Mason Hayes and Curran, A&L Goodbody or any other legal advisers to the Issuer, the Arranger or the Trustee in respect of the issuance of the Notes; and

(B) a total of EUR 1,000 per annum shall be retained by the Issuer (the “**Annual Retained Amount**”) in respect of all Series in issuance. A portion of the Annual Retained Amount will be attributed to this Series of Notes in an amount to be determined by the Calculation Agent acting in its sole and absolute discretion; and

(C) in relation to any realisation of the Charged Assets, all commissions, fees, charges and expenses (including, without limitation, any stamp duty, documentary or transfer or other taxes or duties payable in respect of the sale or other realisation of any such Charged Assets) incurred or payable by the Sale Agent in respect of such sale or other realisation, as certified by the Sale Agent to the Issuer and the Trustee.

## 5.9 Further Issues

Pursuant to Master Condition 15 (Further Issues) as amended and supplemented by this Special Condition 5.9 (Further Issues), the Issuer shall be at liberty to issue

Further Notes with the express intention that such Further Notes be consolidated and form a single series with the Notes (and with any subsequent Further Notes so issued) provided that the net proceeds of issue of such Further Notes shall be invested in the Series Assets and such proceeds shall form part of the Portfolio on or about the same date as the date on which the Further Notes are issued.

#### **5.10 Extended Maturity Date**

The term of the Notes may be extended for further periods of up to ten (10) years, provided that, at the request of the Issuer, the Calculation Agent, on behalf of the Issuer, has given a notice (the “**Extension Notice**”) to the Trustee, the Principal Paying Agent and the Noteholders one (1) calendar month prior to the Maturity Date or any Extended Maturity Date, if applicable, stating that such extension shall take place in respect of the Notes. If no Extension Notice, or no further Extension Notices (if applicable) are delivered by the Calculation Agent, the Notes shall be redeemed on the Maturity Date or on the date stated in the final Extension Notice (such date being the “**Extended Maturity Date**”).

#### **5.11 Events of Default**

An Event of Default under Condition 4.1.1 shall occur if (i) the Early Redemption Payment Date does not occur within 90 days of the relevant Early Redemption Date or (ii) the Final Maturity Payment Date does not occur within 90 days of the Maturity Date or Extended Maturity Date, as applicable.

#### **5.12 Noteholder Direction**

The Arranger may, in its absolute discretion, request direction to the Issuer and Trustee from the Noteholders by way of Noteholder Direction.

### **6 USE OF PROCEEDS**

The entire net proceeds from the issue of the Notes and any Further Notes, will be invested by the Issuer in the Shares on or as soon as practical following the date on which Notes or Further Notes are subscribed for.

### **7 INFORMATION RELATING TO THE CHARGED ASSETS**

#### **7.1.1 General**

The Issuer intends to use the proceeds of the issuance of the Notes to invest, on or as soon as practicable following the Issue Date, in the Shares. The primary investment objective of the Fund is to seek significant capital appreciation through investing in interests in a Cayman Islands exempted limited partnership (the “Offshore Feeder Fund”) which in turns invests in a Cayman Islands entertainment fund (the “Master Fund”) and indirectly into a portfolio of three to six major Hollywood movie pictures, as more particularly set out in the Private Placement Memorandum.

On the Issue Date, the Original Charged Assets will consist of the interests of the Series Assets, and the Related Rights.

The Issuer may invest in new Shares from time to time from the proceeds of the Notes.

### 7.1.2 The Series Assets

For a detailed description of the Series Assets see the Private Placement Memorandum.

## 8 DESCRIPTION OF THE SECURITY ARRANGEMENTS IN RESPECT OF THE NOTES

### 8.1.1 Introduction

The Notes will be secured, limited recourse obligations of the Issuer. The purpose of this section is to provide further information in respect of these important features of the Notes, which are included in the Conditions. However, the following description is a summary only of certain aspects of the security arrangements and is subject in all respects to the terms of the Trust Deed and the Conditions of the Notes, of which Noteholders are deemed to have notice and by which they are bound.

The Issuer will, pursuant to the provisions of the Trust Deed, grant the security described below to the Trustee as continuing security for the payment of all sums due under the Trust Deed and the Notes. The Trustee shall hold such Security on behalf of itself, the Agents and the Noteholders.

### 8.1.2 Security arrangements

The Notes will be secured by a charge over the Series Assets and the Related Rights obtained with the entire net proceeds of the issue of the Notes in favour of the Trustee for itself and as trustee for the Secured Parties (which includes the Noteholders).

Under the Trust Deed, as amended by the terms of the Constituting Instrument, the Issuer, in favour of the Trustee for itself and as trustee for the Secured Parties, and as continuing Security, will:

- (A) charge by way of fixed charge in favour of the Trustee for itself and as trustee for the Secured Parties the Charged Assets, and in respect of the Charged Assets all debts represented thereby, all rights and thereof and the right to payment of all interest and other moneys in respect thereof and all rights to the delivery thereof or to an equal number or nominal amount thereof as against any clearing system or its operator or any depository thereof;
- (B) assign by way of fixed security in favour of the Trustee for itself and as trustee for the Secured Parties all its rights, title, and interest in and to all rights in respect of the Charged Assets;
- (C) assign by way of fixed security assignment in favour of the Trustee for itself and as trustee for the Secured Parties all of the Issuer's rights, title, benefit and interest in, to and under the Account Bank Agreement and the Unwind Account Custody Agreement, any accounts held pursuant thereto and

all sums derived therefrom to the extent that the same relate to the Notes (and no other Series);

- (D) charge by way of fixed charge and assign by way of fixed security assignment in favour of the Trustee for itself and as trustee for the Secured Parties all funds and any other assets now or hereafter standing to the credit of the account of the Principal Paying Agent in respect of the Notes and the debts represented by such moneys; and
- (E) assign by way of fixed security assignment in favour of the Trustee for itself and as trustee for the Secured Parties all of the Issuer's rights, title, benefit and interest in, to and under the Agency Agreement, the Placing Agreement and the Arrangement Agreement and all sums derived therefrom;

in each case on terms that the Trustee shall hold the proceeds of such security for itself and on trust for the Secured Parties.

As continuing security for the due payment, performance and discharge of the Secured Obligations the Issuer as legal and beneficial owner will charge by way of floating charge in favour of the Trustee for itself and on trust for the Secured Parties all of the Mortgaged Property which are not effectually charged or assigned pursuant to sub-clauses 8.1.2(A) to (E) above.

### **8.1.3 Charging Instrument and Programme Accounts Security Agreement**

Pursuant to the Supplemental Cayman Islands Security, the Issuer will grant in favour of the Trustee, as security for itself, and the Secured Parties, a security interest governed under the law of the Cayman Islands over the Issuer's interest in the Series Assets.

Pursuant to the Charging Instrument, Black Tulip Empyre Media ETP I Limited represents, amongst other things that:

1. the Shares charged pursuant to the Charging Instrument are, or will be when mortgaged and charged, duly authorised, validly issued, fully paid, non-assessable, and constitute shares in the capital of a Cayman Islands exempted company. To the extent they are in existence there are no moneys or liabilities outstanding or payable in respect of any such shares nor will there be any and they have not been redeemed nor cancelled in any way nor will they be;
2. no person has or is entitled to any conditional or unconditional option, warrant or other right to subscribe for, purchase or otherwise acquire any issued or unissued shares, or any interest in shares, in the capital of Black Tulip Empyre Media ETP I Limited;
3. there are no other restrictions on the transferability of the Shares, save the prior written consent of the board of directors, which is thereby irrevocably waived by Black Tulip Empyre

Media ETP I Limited, provided that such transfer of the Shares by the Trustee or its nominee to any other person is made pursuant to the exercise of the Trustee's rights under the Charging Instrument;

4. there are no covenants, agreements, conditions, interest, rights or other matters whatsoever which adversely affect the Shares; and
5. it has not received any notice of an adverse claim by any person in respect of the ownership of the Shares or any interest in the Shares.

Potential investors should note that the Issuer makes no representation as to the accuracy of the states at (1) to (5) above.

The Issuer has granted security over the Account Bank Agreement, Unwind Account Custody Agreement and any accounts held pursuant thereto in favour of the Trustee, as security for itself and the Secured Parties, pursuant to the Programme Accounts Security Agreement in respect of the Issuer's obligations to the Trustee in respect of all Series under the HFMX Programme. Pursuant to a deed of confirmation, the Issuer will confirm to the Trustee that the Programme Accounts Security Agreement charges the Account Bank Agreement, Unwind Account Custody Agreement and any accounts held pursuant thereto in favour of the Trustee in respect of the Issuer's obligations under Series 265 Black Tulip Empyre.

#### **8.1.4 Enforcement**

The Mortgaged Property may become enforceable if the Notes or any of them have become due and repayable (for example, due to acceleration following the occurrence of an Event of Default) and have not been repaid.

In such circumstances the Trustee at its discretion may, and if so directed by the relevant parties shall, upon being indemnified, secured and / or prefunded to its satisfaction, realise the Charged Assets. In realising the Charged Assets the Trustee may, but shall not be obliged to, procure the sale of the Charged Assets or may request the redemption of the Charged Assets if the Charged Assets allow for such request.

#### **8.1.5 Priority of claims and potential for insufficient security on sale of Charged Assets and / or on enforcement**

In the event that any Charged Assets are required to be sold pursuant to the Conditions or the security constituted by the Trust Deed, the Constituting Instrument and / or the Charging Instrument becomes enforceable in accordance with the Conditions, the net sums realised could be insufficient to pay all the amounts due to the Noteholders under the Notes. The sums realised from any such sale of the Charged Assets will be subject to deduction of the costs and expenses associated with such sale. In addition, all costs and expenses incurred by the Trustee in enforcing the Security (including any costs of a receiver or similar

official) and amounts due to the Agents, the Arranger and any fees and expenses will be deducted from the proceeds of such enforcement before such proceeds are paid to the Noteholders. After taking action to enforce the security as provided in the Conditions, the Trustee shall not be entitled to take any further steps against the Issuer to recover any sum still unpaid and no debt shall be owed by the Issuer in respect of such sum. In particular, no Agent, Noteholder or other Transaction Participant may petition or take any other step for the winding-up of the Issuer nor shall any of them have any claim in respect of any sum over or in respect of any assets of the Issuer which are security for any other liability of the Issuer.

#### **8.1.6 Limited recourse provisions**

The Trustee, the Agents and the Noteholders (in each case to the extent that their claims are secured) shall have recourse only to the Charged Assets. If, the Trustee having realised the Charged Assets, the proceeds thereof are insufficient for the Issuer to make all payments then due to all such parties, the obligations of the Issuer will be limited to such proceeds of realisation of the Charged Assets and no other assets of the Issuer will be available to meet such shortfall; the Trustee, the Agents, the Arranger, the Noteholders or anyone acting on behalf of any of them shall not be entitled to take any further steps against the Issuer to recover any further sum and no debt shall be owed to any such persons by the Issuer. The Trustee (including any costs of a receiver or similar official), the Arranger and the Agents shall rank prior to the Noteholders in the application of all moneys received in connection with the realisation or enforcement of the security. In particular, none of the Trustee, the Arranger and the Agents or any holder of the Notes may petition or take any other step for the winding-up of the Issuer, and none of them shall have any claim in respect of any sum arising in respect of the Charged Assets for any other Series.

#### **8.1.7 Fees**

The fees payable to the Arranger are described in Special Condition 5.8 (Fees) of the Notes.
