	Common Code	**ISIN CODE**
Massada ETP (Series 462) Notes due 2041 issued by HFMX Designated Activity Company (the "**Notes**")	241530825	XS2415308258

We refer to (i) the constituting instrument relating to the Notes dated 30 November 2021 (the "**Constituting Instrument**") made between (1) HFMX Designated Activity Company (as the "**Issuer**"), (2) Intertrust Trustees Limited as Trustee, (3) FlexFunds ETP, LLC as Programme Coordinator, Charged Assets Realisation Agent and Calculation Agent, (4) GWM Ltd as Back Office Agent and Broker Dealer of Record, (5) Futura Asset Advisors LLC as Portfolio Manager and (6) The Bank of New York Mellon., London Branch as Issue Agent, Principal Paying Agent and Custodian, in relation to the Notes, (ii) the series memorandum dated 30 November 2021 (the "**Series Memorandum**"), in relation to the Notes; and (iii) the portfolio management agreement made between (1) the Issuer, (2) the Trustee and (3) Futura Asset Advisors LLC dated 30 November 2021 (the "**Portfolio Management Agreement**") whereby the Issuer appointed Futura Asset Advisors LLC as portfolio manager of the Notes (the "**Original Portfolio Manager**"). Pursuant to an Extraordinary Resolution of the Noteholders dated 22 September 2023, the Noteholders approved the replacement of the Original Portfolio Manager with Lifeinvest Wealth Management, Ltd (the "**Current Portfolio Manager"**).

Capitalised terms used in this request, but not otherwise defined herein, shall have the meanings given to them in the Constituting Instrument.

For the purposes of this request, "Noteholder" shall mean each person who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of the Notes. Unless the context otherwise requires, "Noteholders" and "holders of Notes" and related expressions shall be construed accordingly.

The net proceeds from the issue of the Notes were invested by the Issuer in the Custody Account, subject to the management of the Portfolio Manager.

Background on Request for Change of Current Portfolio Manager and Management Fee Adjustment

The Issuer hereby gives notice to the Noteholders that, on 03 July 2025, a request was submitted to the Issuer for the (i) replacement of the Current Portfolio Manager with Bancaribe Capital LLC (the "**New Portfolio Manager**") as Portfolio Manager in respect of the Series (the "**Proposed Portfolio Manager Change**"), and (ii) amendment to the definition of "*Management Fee Percentage*" under the Series Memorandum from 0.30% per annum to 0.35% per annum (the "**Proposed Management Fee Adjustment**").

The New Portfolio Manager confirmed to the Issuer that it is a limited liability company incorporated under the laws of Florida, with its headquarters located at in the city of Florida, 1395 Brickell Ave. Suite 800, Miami, 33131, United States.

The Programme Coordinator advised the Issuer that, in its opinion, it would be in the best interests of the Noteholders to carry out the Proposed Portfolio Manager Change as soon as possible. The Programme Coordinator also confirmed to the Issuer that there will be no change to the investment strategy adopted by the Portfolio Manager for the Series as a result of the Proposed Portfolio Manager Change, and the terms of the Portfolio Management Agreement (including, but not limited to, the management duties, Investment Objective, Management Criteria) will remain unchanged, save for the management fee that will be increased per the Proposed Management Fee Adjustment.

The Programme Coordinator and the New Portfolio Manager have confirmed to the Issuer that the Proposed Management Fee Adjustment reflects prevailing market conditions and the scope of services to be provided by the New Portfolio Manager. In connection with this, Noteholders should be aware that the Proposed Management Fee Adjustment may potentially reduce the net returns on the Custody Account and, as a result, may may affect the amounts available for distribution under the Notes. Notwithstanding, the Programme Coordinator and the New Portfolio Manager do not expect the Proposed Management Fee Adjustment to have a material adverse effect on Noteholder returns in light of the current investment strategy and anticipated performance.

Change of Portfolio Manager

Under Clause 15.4 (*Termination by Arranger with Notice Period*) of the Master Portfolio Management Terms, the Programme Coordinator has a discretionary right to terminate the appointment of the Portfolio Manager where the Programme Coordinator considers such termination to be in the interests of the Noteholders. Clause 15.4.3 further provides that the Programme Coordinator shall terminate the appointment of the Portfolio Manager on the basis of an Investor Direction to such effect. The Investor Direction may be delivered by way of notice to such effect, in writing, to the Portfolio Manager with copy to the Issuer and the Trustee. This Extraordinary Resolution constitutes an Investor Direction and notice to such effect.

In the event that this Extraordinary Resolution passes, the Issuer shall, on the basis of the Extraordinary Resolution, enter into the Deed of Novation and Restatement (as defined below) in order to effect the Proposed Portfolio Manager Change.

The Portfolio Terms provide that termination of the Current Portfolio Manager in accordance with Clause 15.4 shall be effective on the 90th calendar day after the date on which such notice is received by the Portfolio Manager in writing, in accordance with Clause 18 (*Notices*) (the "**Portfolio Manager Change Notice Period**"). The Issuer requests that such notice period is waived by the Noteholders, such that the Proposed Portfolio Manager Change may be effected upon the execution of the Deed of Novation and Restatement, as defined below, in the event that this Extraordinary Resolution passes.

The change in Portfolio Manager shall be effected by the entry into of a novation agreement (the "**Deed of Novation and Restatement**") between the parties to the Portfolio Management Agreement and the New Portfolio Manager pursuant to which the Current Portfolio Manager shall novate all rights and obligations to the New Portfolio Manager.

On the basis of the foregoing, the Issuer hereby requests that the Noteholders pass an Extraordinary Resolution sanctioning and providing the following waivers, consents, instructions and directions, which are hereby requested by the Programme Coordinator:

1. to consent to and confirm the termination of the Current Portfolio Manager and the appointment of the New Portfolio Manager as Portfolio Manager of the Notes;

2. to consent to and confirm the Proposed Portfolio Manager Change;

3. to consent to the waiver of the Portfolio Manager Change Notice Period;

4. to consent to and confirm the Proposed Management Fee Adjustment, to take effect concurrently with the appointment of the New Portfolio Manager;

5. that the Issuer be and is directed, consented, instructed, empowered, authorised and requested to consent and confirm to the Proposed Portfolio Manager Change and the Proposed Management Fee Adjustment;

6. that the Trustee be and is directed, consented, instructed, empowered, authorised and requested to consent and confirm to the Proposed Portfolio Manager Change and the Proposed Management Fee Adjustment;

7. in connection with and to give effect to the Proposed Portfolio Manager Change and the Proposed Management Fee Adjustment, instruct and direct the Issuer and the Trustee to enter into the Deed of Novation and Restatement, appended hereto as Schedule 2; and

8. to instruct and direct the Issuer to issue a supplement to the Series Memorandum noting the nature and effect of the Proposed Portfolio Manager Change and the Proposed Management Fee Adjustment (once implemented).

Numbers 1 to 8 above are the "**Proposed Actions**". It is proposed that the Proposed Actions will be sanctioned by a resolution in writing having effect as an Extraordinary Resolution (the "**Proposed Written Resolutions**"). The form of the Proposed Written Resolutions is attached hereto as Schedule 1. A copy of this document is available from the Principal Paying Agent as described in the paragraph "**Availability of documents**" below.

For the avoidance of doubt, the security created pursuant to: (i) the Constituting Instrument and the Trust Deed constituted thereby dated 30 November 2021; and (ii) the Charging Instrument, dated 30 November 2021 remains outstanding and fully effective as of the date of its creation and no amendments or supplements are required in respect of such security documents as a result of the Proposed Written Resolutions.

If the Proposed Written Resolutions are approved, the New Portfolio Manager shall become the Portfolio Manager of the Notes and the Management Fee shall be increased from 0.30% per annum to 0.35% per annum.

If the Proposed Written Resolutions are not approved, Noteholders should be aware that this may have consequences for the Notes and the Noteholders, including but not limited to an early redemption of the Notes.

Clause 17 (*Extraordinary Resolution*) of the Trust Deed and Condition 6.1 (*Extraordinary Resolution*) provide that Noteholders may at a meeting of Noteholders or by means of a resolution in writing consider matters affecting the interests of Noteholders. The resolution in writing shall be as valid and effective as a meeting of Noteholders, if signed by or on behalf of the holders of not less than 75 per cent in principal amount of the Notes who for the time being are entitled to receive notice of a meeting(a "**Written Resolution**") and shall take effect as if it were an Extraordinary Resolution.

Prior to deciding whether to grant such approval, and give such direction, the Noteholders should have regard to the Proposed Actions.

In accordance with normal practice the Issuer and the Trustee express no opinion on the merits of the Proposed Written Resolutions or whether the actions contemplated therein (including but not limited to the Proposed Actions) will be beneficial or detrimental to the interests of the Noteholders. However, the Proposed Written Resolutions are required in order for the Proposed Actions to occur. The Issuer and the Trustee will take no further actions in relation to the Proposed Actions or the Proposed Written Resolutions unless the Proposed Written Resolutions are passed in accordance with the Trust Deed and the Conditions.

The Issuer hereby agrees that (subject to clause 10.5 of the Master Trust Terms) it shall indemnify the Trustee in respect of all liabilities, losses, costs, claims, actions, demands and expenses incurred by it or any of its duly appointed delegates in connection with this request, the Proposed Actions and/or any related Written Resolutions (including the Proposed Written Resolutions).

Required action

The Noteholders wishing to approve the Proposed Written Resolutions should do so by no later than 22 September 2025 at 12:00 hours CET (the "**Approval Deadline**"). Noteholders who do not wish to approve the Proposed Written Resolutions do not need to take any action. Such documents will be made available to Noteholders only upon production of evidence satisfactory to the Principal Paying Agent as to status as a Noteholder.

Procedures for execution of the Proposed Written Resolutions

Notes held through Euroclear or Clearstream, Luxembourg

The Notes are currently represented by a Global Note which is held with a common depositary (the "**Common Depositary**") for Euroclear Bank S.A./N.V. ("**Euroclear**") and/or Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**"), together, the "**Clearing Systems**".

Noteholders who wish to vote on the Proposed Written Resolutions must, in accordance with the current procedures of the Clearing Systems, instruct their clearing system to this effect and as to whether their vote should be in favour of, or against, the Proposed Written Resolutions. Noteholders that do not provide any instruction shall be deemed to have voted against the Proposed Written Resolutions.

Each person who is the owner of a particular nominal amount of Notes (a "**Beneficial Owner**"), as shown in the records of its intermediary (each an "**Intermediary**"), who wishes to approve the Proposed Written Resolutions, shall instruct such Intermediary to follow the procedure above or to procure that such procedure is followed on its behalf and shall rely solely on such Intermediary to confirm their consent to the Proposed Written Resolutions and to instruct the Issuer and/or the Trustee to execute the Proposed Actions.

Delivering execution instructions

To authorise and instruct the Issuer and/or the Trustee to execute the Proposed Actions, such Beneficial Owners should ensure that:

(i) they give such (electronic) approval instructions to the relevant Clearing System via its Intermediary in accordance with its procedures to approve the Proposed Written Resolutions such that the Principal Paying Agent will receive them on or before the Approval Deadline; and

(ii) the Intermediary has received irrevocable instructions (with which they have complied) to block Notes to the order of the Calculation Agent in the Custody Account to which they are credited with effect from and including the day on which the electronic voting instructions are given so that no transfers may be effected in relation to the Notes at any time after such date until the Proposed Actions have been executed and released by the parties thereto, or until such time as the Calculation Agent has confirmed that such Notes may be unblocked.

Noteholders should ensure that the relevant blocking instructions to the Intermediary can be allocated to the relevant electronic approval instruction. For the avoidance of doubt, each electronic approval instruction must have an individual matching blocking instruction. Noteholders who do not wish to approve the Proposed Written Resolutions do not need to take any action.

Approval of the Proposed Written Resolutions

To be passed, the Proposed Written Resolutions must be approved by or on behalf of holders of not less than 75 per cent in principal amount of the Notes who for the time being are entitled to receive notice of the meeting of Noteholders. If passed, the Proposed Written Resolutions shall be binding upon all the Noteholders and, whether or not they participate in the passing of the Proposed Written Resolutions, each of the Noteholders shall be bound to give effect to it accordingly. The passing of any such resolution shall be conclusive evidence that the circumstances of such resolution justify the passing of it.

Beneficial Owners wishing to approve the Proposed Written Resolutions, to authorise and instruct the Issuer to execute the Proposed Actions are recommended to retain their Notes in the Clearing Systems and to approve the Proposed Written Resolutions by giving electronic approval instructions as described above.

We further agree that the Issuer and/or the Trustee and/or the Principal Paying Agent shall not be responsible nor liable to such party for, or for investigating any matter which is the subject of, any recital, statement, representation, warranty or covenant of any other party contained in this Extraordinary Resolution and Direction and/or the Proposed Actions or any other agreement or document relating to the transactions contained therein or contemplated thereby or for making any searches, enquiries or independent investigations relating to the Extraordinary Resolution and Direction and/or the Proposed Actions nor for the execution and delivery (other than its own execution and delivery), legality, effectiveness, adequacy, genuineness, validity, enforceability, binding nature or admissibility in evidence thereof.

We further confirm, acknowledge and agree that the resolutions and directions outlined above are intended to be, and shall be effective as, Extraordinary Resolutions of the holders of all of the Notes (in lieu of a meeting).

We represent and warrant that we are acting for our own account and we have consulted with our legal, regulatory, tax, business, investment, financial and/or accounting advisers to the extent that we deem necessary, and have made our own decisions regarding the matters the subject of this Extraordinary Resolution and Direction based upon our own judgment and upon advice from such advisors as we deem necessary.

We acknowledge that the Proposed Management Fee Adjustment may potentially reduce the net returns on the Custody Account and, as a result, may may affect the amounts available for distribution under the Notes. We confirm that we have taken this into consideration in deciding to approve the Proposed Written Resolutions.

This Extraordinary Resolution and Direction, any dispute, controversy, proceedings or claim of whatsoever nature and all non-contractual obligations arising out of or in connection with it, shall be governed by, and shall be construed in accordance with the laws of Ireland. The Courts of Ireland shall have jurisdiction to hear any disputes or matters that arise out of or in connection with this Extraordinary Resolution and Direction.

The Issuer and/or the Trustee and/or the Principal Paying Agent may assume that this consent and Extraordinary Resolution and Direction remains in full force and effect until receipt of actual notice to the contrary.

We confirm that we will not transfer all or any of our interest in the Notes in the period from the date hereof to the date of the completion of the execution and delivery of the Proposed Actions.
